STRUCTURE
- Four tables with packets of discussion questions will be set up for each region—South Philadelphia, Kensington, North Philadelphia, and West Philadelphia. The purpose is to lay the groundwork for our upcoming community meetings and access our greater network.

QUESTIONS
- Is there a conversation about hepatitis C in this neighborhood? What does it look like?
- Who should be at each meeting and how can we contact them?
- Logistics: where and when should we hold the meeting?
- What is our unified message to take out into the community as HepCAP members?
